

# WHS Policy Statement

Doc. Ref: NDE-QHSE-POL-002 Rev02

Effective Date:20/06/2022

NDE Solutions recognises its moral and legal responsibility to provide a safe and healthy work environment for employees, subcontractors, their employees and visitors. This commitment extends to ensuring that the organisation's operations do not place the local community at risk of injury, illness or property damage.

NDE Solutions believes that safety is good business and that work-related injuries, accidents and property damage are preventable. Therefore, it is the company's policy to promote the highest standards in Work Health and Safety and prevent loss, damage and aim to eliminate injury.

By taking ISO 45001 WHS management standard and integrating it into our QHSE Management system, NDE Solutions intends to achieve continuous improvement of all our business activities and to maintain our position as the industry leader in non-destructive and mechanical inspection applications.

NDE Solutions will seek to achieve this by meeting the following:

- Making Work Health and Safety an essential and integral part of management accountability,
- Work Health and Safety considerations are not to be compromised by other business objectives,
- Establish performance targets, monitoring performance and striving to continually improve the Company's Work Health and Safety performance in accordance with ISO 45001 Standard and with the aim of eliminating work-related injury,
- Clearly define the roles, responsibilities and accountabilities of all our team and provide them with industry and professional training as well as opportunities to advance their careers,
- Having every worker, contractor and visitor on Company property/sites accept safety as an individual responsibility and a pre-requisite in the planning of all activities and
- Using a consultative process between management, worker and contractors with the view to maintain management systems that promote continuous improvement.

NDE Solutions aims to meet these commitments by ensuring policies, procedures and safe work systems are adopted that comply with or exceed the requirements of Acts, Regulations, Standards, Codes of Practice and, other statutory provisions governing Work Health and Safety.

This policy is applicable to NDE Solutions in all its operations and functions including those situations where workers are required to work on specific sites. The Policy Statement will be reviewed on an annual basis and is available to all interested parties via the NDE Solutions website.
