

Environmental Policy Statement

Doc. Ref: NDE-QHSE-POL-003 Rev02

Effective Date:20/06/2022

NDE Solutions is committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment. We will operate in compliance with all relevant environmental legislation; strive to use pollution prevention and environmental practices in all we do.

By taking ISO 14001 Environmental management standard and integrating it into our QHSE Management system, NDE Solutions intends to achieve continuous improvement of all our business activities and to maintain our position as the industry leader in non-destructive and mechanical inspection applications.

NDE Solutions will seek to achieve this by meeting the following:

- Integrate the consideration of environmental concerns and impacts into all our decision-making and activities,
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner,
- Train, educate and inform our employees about environmental issues that may affect their work,
- Minimise our energy use where practical,
- Reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furnished products and materials where these alternatives are available, economical and suitable,
- Promote efficient use of materials and resources throughout our facility including water, electricity, raw materials and other resources, particularly those that are non-renewable,
- Avoid unnecessary use of hazardous materials and products, seek substitutions when feasible, and take all reasonable steps to protect human health and the environment when such materials are used, stored and disposed of and
- Develop and maintain appropriate emergency and spill response programmes where required by legislation or significant health, safety or environmental hazards exist.

NDE Solutions aims to meet these commitments by ensuring policies, procedures and safe work systems are adopted that comply with or exceed the requirements of Acts, Regulations, Standards, Codes of Practice and, other statutory provisions governing Environmental Management.

This policy is applicable to NDE Solutions in all its operations and functions including those situations where employees are required to work on specific sites. The Policy Statement will be reviewed on an annual basis and is available to all interested parties via the NDE Solutions website.
